

ST7789V 240x320 Small Tft Screen Tft Color Lcd Module Display With LED Backlight

Basic Information

Place of Origin: China
Brand Name: OEM
Certification: ROHS
Model Number: ZH240S030
Minimum Order 1 pieces

Quantity:

· Packaging Details:

Price: Negotiated

• Delivery Time: 7-15 working days

Carton Packing

• Payment Terms: T/T

• Supply Ability: 300k per month

Product Specification

Drive IC: ST7789V

• Storage Temperature: -30 To 80 Degrees Celsius

Brightness: 250Cd/m2Viewing Direction: 12 O'Clock

Touch Screen: NoContrast Ratio: 500:1

• Resolution: 240x320 Pixels

Backlight Type:
 LED

2.4 Inch 240x320 TFT Color LCD Display Module SPI Interface With LED Backlight

Product Description:

The viewing direction of this Small TFT LCD Display is 12 O'Clock, making it easy to read from any angle. It has a drive IC of ST7789V, which provides high-quality images with vibrant colors. The display does not come with a touch screen feature, making it more affordable and simple to use.

The interface type of this TFT LCD Display is a 4 Line-SPI Interface, which makes it easy to connect to a microcontroller or any other embedded system. The display has a brightness of 250Cd/m2, making it suitable for indoor and outdoor applications.

This TFT LCD Display is an excellent choice for applications such as wearable devices, IoT devices, handheld instruments, and other portable applications. It is also suitable for applications where space is limited, and a small display is required.

Features:

Product Name: Small TFT LCD Display

Contrast Ratio: 500:1

Storage Temperature: -30 To 80 Degrees Celsius

Interface Type: 4 Line-SPI Interface

Drive IC: ST7789V Display Type: TFT

This Small TFT LCD Display is a miniature Thin Film Transistor Display that serves as a petite TFT monitor or TFT LCD screen. It features a high contrast ratio of 500:1 and can withstand a wide range of storage temperatures from -30 to 80 degrees Celsius. The interface type for this display is a 4 Line-SPI Interface and is powered by the ST7789V drive IC.

Technical Parameters:

Miniature Thin Film Transistor Display	TFT LCD Screen
Interface Type	4 Line-SPI Interface
Viewing Direction	12 O'Clock
Drive IC	ST7789V

Resolution	240x320 Pixels
Contrast Ratio	500:1
Display Type	TFT
Storage Temperature	-30 To 80 Degrees Celsius
Operating Temperature	-20 To 70 Degrees Celsius
Backlight Type	LED
Brightness	250Cd/m2

Applications:

One of the standout features of this TFT LCD screen is its versatility. It can be used in a variety of different devices and settings, from handheld electronics like smartphones and gaming devices to industrial control panels and medical equipment. With a wide operating temperature range of -20 to 70 degrees Celsius, it can withstand even harsh environments with ease.

Another great thing about the ZH240S030 TFT display is its viewing direction. Thanks to its 12 O'Clock viewing direction, it's easy to see the screen from nearly any angle, making it a great choice for applications where visibility is key. And even though it doesn't have a touch screen, its brightness of 250Cd/m2 ensures that it's easy to see even in bright environments.

Whether you're an electronics hobbyist looking to build your own device or a manufacturer searching for a reliable and high-quality TFT screen for your products, the ZH240S030 from OEM is an excellent choice. With a minimum order quantity of just one piece and flexible pricing options, it's an affordable and accessible option for businesses of all sizes. And with a supply ability of 300k per month, you can rest assured that you'll always have access to the displays you need when you need them.

So why wait? Order your ZH240S030 TFT display today and start exploring all the exciting possibilities it has to offer!

FAQ:

Q: What is the brand name of this product?

A: The brand name of this product is OEM.

Q: What is the model number of this product?

A: The model number of this product is ZH240S030.

Q: Where is this product manufactured?

A: This product is manufactured in China.

Q: Is this product certified?

A: Yes, this product is certified with ROHS.

Q: What is the minimum order quantity?

A: The minimum order quantity for this product is 1 piece.

Q: What is the price of this product?

A: The price of this product is negotiable.

Q: How is this product packaged?

A: This product is packaged in cartons. Q: What is the delivery time for this product?

A: The delivery time for this product is 7-15 working days.

Q: What are the payment terms for this product?

A: The payment terms for this product are T/T.

Q: What is the supply ability of this product?

A: The supply ability of this product is 300k per month.
