

## 4.0 Inch TFT LCD Display with 1000nits Brightness and High Definition IPS Technology Featuring ST7701 Driver IC

Our Product Introduction

### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: No
- Minimum Order Quantity: 1
- Price: \$4.50-7

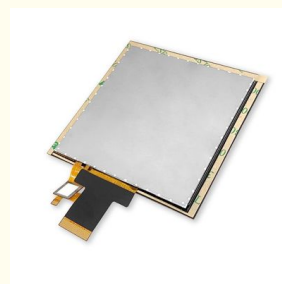

### Product Specification

- Display Size: 4.0 Inch
- Backlight Type: LED
- Resolution: 480x480
- Brightness: 1000nits
- Operating Temperature: -20 To 70°C
- Display Type: IPS
- Communication Interface: RGB
- Driver IC: ST7701
- Interface Type: 40pin RGB
- Contrast Ratio: 16:9
- Module Size: 74.66\*76.54\*2.2mm
- Active Area: 71.86\*70.18mm
- Viewing Angle: Free
- Storage Temperature: -30 To 80°C
- Aspect Ratio: 16:9

## Product Description

### 4 Inch TFT LCD Display Screen

#### High Definition IPS Square Screen with Full View RGB Interface

#### Product Specifications

Part Number	ZH0404801000
Interface	RGB
Size	4.0 inches
Resolution	480x 3(RGB) x 480
Aspect Ratio	16:9
Module Size	74.66*76.54mmx2.2mm
Active Area	71.86(W)*70.18(H) mm
Viewing Angle	Free
Operating Temperature	-20°C to 70°C
Storage Temperature	-30°C to 80°C
Brightness	1000cd/m²
Interface	40pin RGB
Driver IC	ST7701S

#### Our Services

- Replacement within 30 days after shipment for defective products
- Custom logo printing and model number labeling available
- Established shipping partnerships with discounted rates
- Professional technical support and responsive after-sales service
- Comprehensive quality inspection before shipment
- 24-hour response time for customer inquiries

#### Company Information

ZhuoHong Electronic Technology specializes in TFT LCD display and touch screen solutions for over 10 years. 90% of our business involves custom display modules for industrial devices, medical equipment, and smart home applications.

Our mission is to provide comprehensive one-stop solutions centered around LCD display and touch screen technologies.

#### Frequently Asked Questions

##### Q: When can I get the quotation?

A: We typically respond within 12 hours. For urgent requests, please contact us directly.

##### Q: What is your warranty policy?

A: We provide a one-year warranty on all products.

**Q: Can I order samples?**

A: Yes, sample orders are welcome to evaluate our quality and service.

**Q: How do I place bulk orders?**

A: Provide specifications, approve the proforma invoice, and we'll arrange production upon payment.

**Q: What shipping options are available?**

A: We offer multiple options including DHL, UPS, FedEx, TNT, EMS, air cargo, and sea freight.

**Q: How do you ensure product quality?**

A: We implement rigorous quality control processes including incoming, in-process, and final inspections.

**Q: Do you provide OEM services?**

A: Yes, we offer professional OEM services.

**Q: What payment methods do you accept?**

A: We accept T/T (bank transfer), L/C, and PayPal.

**Q: What after-sales services do you provide?**

A: We offer technical support, firmware updates, and RMA services for all products.
